

Pabitra Kumar Bebartta

B.Tech. | NIT Rourkela

Pre-final year

Chemical Engineering

DOB: 13th July 2004

Contact: +917790010167

Email:pabitrakumarbebartta@gmail.com

Address: Berhampur, Odisha, India

Education

2021 - JUN 2025

B.TECH.

Chemical Engineering

NIT Rourkela

CGPA : 7.55/10

JULY 2021

INTERMEDIATE

SSVM, Berhampur

Percentage: 93%

MAY 2019

MATRICULATION

SSVM, Berhampur

Percentage: 91.16%

Skills

LANGUAGES

•Java

•Others: JavaScript, PHP

FRONT-END TECHNOLOGIES

• HTML, CSS, JavaScript

• ReactJs

• Bootstrap, TailwindCSS

BACK-END TECHNOLOGIES

• PHP, Flask

•Databases: MySQL, MongoDB

Coursework

Competitive Programming (Java)

Data structure and Algorithm (Java)

Object Oriented Programmings in java

Projects

AUG 2023 **HEALTHCARE.AI** | [Link](#)

Hackathon Project

- Developed a " AI Powered Diagnosis System" which helps in decrease the number of patient death by 10% due to our fast diagnosis system.
- Leveraging the power of machine learning, image processing, and seamless back-end integration, we aimed to revolutionize Healthcare.

ReactJs , TailwindCSS , Flask , ML

JAN 2023 **Cosmopolitan-2022** | [Link](#)

Team project

- Developed a responsive web Application for the cosmopolitan festival at our Institute.
- The app featured festival schedules, speakers, and event information and was created collaboratively with a team of developers and designers.

NextJs , TailwindCSS

DEC 2022 **E-commerce Website** | [Link](#)

Self Project

- Developed a full-stack web application with interfaces for admin and customers separately. Both administrators and users have login and registration pages separately.
- Here, Users can view products, place orders, and change their shopping basket. Orders can be managed, modified, and new products can be added to the application by the administration.

Repository

HTML, CSS, JavaScript, PHP, MySQL, XAMPP, PHP-Mailer

Achievements / Certificates

JUN 2023 **1st Runner up at MLH Status code 0 Hackathon**

JUN 2023 **Postman API Fundamentals Student Expert**

JUL 2023 **400+ problems solved at codingninjas| codechef| leetcode|
geeksforgeeks| codeforces**

JUN 2022 **Maximum rating of 1748 (3 Star)**

Codechef

FEB 2022 **Secured Rank 157 at "February Long 2022-II Division 3" contest**
Codechef

FEB 2023 **Certificate of Completion of FLY-scholar Program**

Extra Curricular Activities

DEC. 2022- PRESENT

Technical Team Member

OPENCODE | Open source and Cyber security club |

MAY 2022- PRESENT

Web Developer

CYBORG | Robotics and Automation Club |

JAN 2023

Technical coordinator

COSMOPOLITAN | The multi ethnic Fest

JAN - OCT 2022

Technical Team Member

CODEHUB | CP and DSA Club |
